

Oval Office, 20xx

CORPORATES     We've decided on war.

PRESIDENT     Then it's up to me. Congress will bug out as usual.

CORPORATES     You can say that it's up to you.

PRESIDENT     Fiction, huh? I'm to do what I'm told?

CORPORATES     Bingo!

PRESIDENT     There's a small matter of money. We'll have to do it on plastic, with the Chinese buying the debt. Dangerous.

CORPORATES     Not at all. China is a corporate branch. Thus we're paying ourselves, well not the country, the corporations.

PRESIDENT     You're raping the nation and you want me to go down in history as The Great Enabler!

CORPORATES     Savior! We'll write the history and that's what we'll say. Deniers ending up face down in various bodies of water.

PRESIDENT     A bitter day when you talked me into this office.

CORPORATES     Freedom exists in not having choices. Your pen?
